

Biography

Sadia Qureshi

Operations Manager

Sadia is a certified chartered accountant and a seasoned banking professional with 10 + years' diversified experience across banking operations, trade finance, treasury back-office functions, and financial auditing.

Her career in the banking sector spans both conventional and Islamic banking, where she has held key roles with leading financial institutions in Bahrain namely Ernst and Young, Habib Bank Limited and BOK International. Her responsibilities have included managing nostro reconciliations, SWIFT messaging, treasury operations, and the implementation of internal controls and policies. Over the years, she has built a strong track record of enhancing operational efficiency, strengthening compliance frameworks, and supporting critical business functions.

Sadia holds the ACCA qualification (UK), which has provided her with a solid foundation in financial management, auditing, and international accounting standards.
