

Biography

Kayvaughn Meldor

Administrative Operations Officer

Kayvaughn is a dedicated banking professional with extensive experience in administrative operations, customer service, and sales.

Before joining iib, she worked with Bank of The Bahamas Ltd, where she held key positions as Account Opening Officer and Senior Teller. During her tenure, she developed strong expertise in account management, client onboarding, regulatory compliance, and cash handling—skills that reflect her operational precision and client-focused approach. Her professional background also includes experience as a Trade Marketing Executive, where she demonstrated strong capabilities in territory management, client relationship building, and sales development.

Kayvaughn is currently pursuing a Bachelor of Science in Business Management (Finance) and holds certifications in Supervisory Management and Banking.
